

Albrighton & District Civic Society

Main Aim: To improve the appearance of our villages and the quality of life.

At this month's mammoth meeting we covered all bases including planning - Boningale proposals and working with AVAG, our new website, our 2025 calendar, potholes and traffic matters including speeding, requests for a crossing on the High St and in Station Road and parking continues to be a big issue for some residents near the station. These issues are closely debated and representations made to the appropriate parish council or Shropshire Council. We need members to tell us their concerns so we can help make the issues heard and dealt with.

We have always had a campaign to address Eyesores. Email or message us any details of places that need some attention. **Don't walk past**, It's our aim to improve the appearance of our villages and the quality of life. We need your help to do this.

DOG MESS

Despite the many waste bins dedicated to dog mess, many dog owners continue to flout the Law. Large fines can be imposed on dog owners who permit their dogs to foul our pavements. Shropshire Council's dog warden's have said that regular and unannounced inspections will be made. Also in cooperation with the local police, the recently completed CCTV system installed in the village should be used to identify offenders and prosecute them. Report Dog Fouling to the Parish Council by email and Shropshire Council using FixMyStreet.

PLEASE PICK UP YOUR DOG'S MESS AND BIN IT – DONT GET CAUGHT ON CAMERA.

The **Schools Award Scheme** is run each year. This year's topic is Buildings Old and New and pupils, classes or teams within the school submit their entries in any medium such as a drawing, a picture, a painting, a piece of writing, a story, a poem, an essay or a model. A Cup and Certificate is awarded for the best set of entries. Look out for this year's winners soon.
